

## Mobile Broadband Data Packs (Kilobyte Charging)

Perfect for 'always on' connectivity, the Data Pack pricing plans are based on data usage and charged in 1 Kilobyte (KB) blocks (or part thereof). The plans include a set number of allowed KB as part of an included monthly allowance, which can be used for all eligible Telstra Mobile Broadband data usage.

Telstra Mobile Broadband Data Packs provide casual or 24 months contract term options. The month to month pricing plan provides the option to purchase the Mobile Broadband device outright or on a Monthly Repayment Option<sup>1</sup>. The 24 month contracted plan includes a compatible Mobile Broadband device at a subsidised price<sup>1</sup>.

### Mobile Broadband Data Packs Summary

Monthly Access fee	Included data allowance <sup>2</sup>	Excess usage charges <sup>#</sup>	Plan Availability

#### Things you need to know:

^ Requires the customer take up and stay connected to an eligible Telstra post-paid mobile voice plan in conjunction with this Telstra Mobile Broadband plan.

~ Minimum cost over 24 months for the \$59 Data Pack is \$1,416, for the \$89 Data Pack is \$2,136, for the \$109 Data Pack is \$2,616, for the \$179 Data Pack is \$4,296. Early exit fees apply.

# Price is indicated per 1000KB but actual charge is per KB block.

1. The Next G™ network device is programmed to operate only on Telstra's Next G™ network and GSM network. If you wish to use your Next G™ network device on other networks, a network unlocking fee (as set out in Our Customer Terms at [www.telstra.com](http://www.telstra.com)) will apply.

2. Unused monthly included KB forfeited each month. With a Data Pack, you may use the monthly included KB to access data over Telstra's Next G™ network and 3G/GPRS networks. If you use Telstra Wireless Hotspots with a Data Pack, you must pay the standard Telstra Wireless Hotspot rates set out in Our Customer Terms. Eligible data usage/monthly included KB excludes BlackBerry, Java, SMS (including Premium SMS), MMS, Next G™ network data services content subscription services, circuit switched data services, voice calls, video calls, Video MessageBank® and voice MessageBank® and international roaming.

3. PAYG customers are automatically connected to the Telstra Data Default Voice Plan. If you are a \$5, \$8, \$16 or \$29 Data Pack customer, you must connect and stay connected to an eligible Telstra post-paid mobile voice plan.
